AHURI acknowledges the Traditional Custodians of Country throughout our nation, and we pay our respect to Elders past and present. We acknowledge Aboriginal and Torres Strait Islander peoples' connections to land, sea and community, and respect their cultural, spiritual and educational practices.

Your invitation to partner with Australia's premier housing event

The National Housing Conference (NHC), convened by the Australian Housing and Urban Research Institute (AHURI), returns in 2027 from 6–8 October at the International Convention Centre, Sydney.

NHC is the largest cross-sectoral housing event in Australasia and is a key platform for policy makers, housing and community service providers, researchers, and planners to shape Australia's approach to affordable housing delivery. For over 25 years, NHC has been the trusted platform driving evidence-based solutions to Australia's most pressing housing challenges.

The 2027 program will spotlight cutting edge research, key policy directions and innovative delivery models from across Australia and internationally — offering delegates insight into the opportunities shaping our future housing system.

NHC provides a powerful platform for your organisation to elevate its leadership, strengthen national partnerships, and demonstrate its commitment to meaningful, system wide impact.

As the convenor of both NHC and the Australian Homelessness Conference, AHURI consistently delivers high quality, high impact events that shape national conversations. Our most recent National Housing Conference in 2025 welcomed over 900 delegates to Perth from around Australia and overseas, and featured a dynamic program of plenaries, exhibitions and networking events.

Whether you're seeking a major profile position as a Gold Partner or a tailored package that aligns with your strategic priorities, brand and investment approach, we invite your organisation to align with this highly influential gathering of decision makers, innovators and changemakers.

We would welcome the opportunity to work with you to shape an offering that delivers clear value.

Why partner with NHC?

Connect with Australasia's largest housing audience
NHC is the only event that brings together government, policymakers, housing providers, private sector leaders, developers, architects, building technology innovators, and researchers.

Align with a trusted national leader
Align your brand with the National Housing Conference and the Australian Housing and Urban Research Institute (AHURI)—Australia's leading organisation researching housing, homelessness and urban issues.

Position your brand at the centre of the housing conversation
Engage directly with the people shaping Australia's housing future through highly targeted, high-impact visibility across the sector.

Extend your reach beyond the event
Gain extensive exposure of your brand to the broader housing sector via conference promotions, digital campaigns and website prior to, and during the conference.

Unlock high-value connections
Build meaningful relationships, uncover new opportunities and collaborate with key decision-makers and influencers.

Demonstrate leadership on a national priority
Show your organisation's commitment to improving housing outcomes and contributing to solutions.

> "The AHURI National Housing Conference is our go to Housing event in Australia, providing unequalled exposure and opportunities to meet with our core customer base all in a single location. We have supported this event as a major sponsor for many years now and the relationships and opportunities that have been created and fostered through this event has been instrumental in Civica's success in the local Australian market.
>
> **Neale Walsh – Director, Housing and Strategic Engagements, CIVICA**
